CAMPSITE GUIDELINES

During your stay with us, please help provide a quality experience for all our visitors.

1. Campsites are available on a first-come, first-served basis or by reservation. For reservations, please refer to the "Reservations" section. **For first-come, first-served sites, at least one person 18 years of age or older and a proper camping unit must immediately occupy the site for the first night.** (36 CFR 261.6 (h)) **Campers must occupy the unit they put on the site.** After the first night, the camping unit may not be left unattended overnight without permission.
2. All visitors/campers must register at the gatehouse before entering campground. **First-come, first-served campsites will be assigned upon registering at the gatehouse.** If there is a specific camp site you would like, please inquire about availability and attendants will do their best to accommodate you. If you see another site you would prefer, return to gatehouse to check availability, as we may have already assigned it. Every camper is allowed one site change after registration. After first site change, any additional site changes, except for upgrades, could be subject to a \$5 fee per site, per change. We will gladly change your site if the site is available.
3. Do not change sites without checking with gatehouse staff first. If checked in on a reservation site, check with gatehouse staff for availability to extend stay.
4. To properly occupy a site, all camping units must be set up on the gravel pad.
5. All camping units and equipment must be placed on prepared gravel sites. *(See Campsite Capacity for regulations.)* **PLEASE KEEP OFF GRASS.**
6. Camping is limited to 21 consecutive days on any site with the exception of our Seasonal Camping Program. After 21 days, the camping unit and person(s) must be moved from the site for a minimum of 7 days prior to returning to the previously occupied site. (36 CFR 261.58(a))
7. **Check-out time is 3:30 p.m. A \$16 fee will be added for late departures.**
8. Visitation for registered campers is between 7 a.m. and 11 p.m. A \$4 visitor fee per vehicle is charged. (After 11 p.m., a full camping fee is charged.)
9. Quiet hours are observed between 11 p.m. and 7 a.m. Please return to your site during quiet hours as a courtesy to others. To help with electrical cost, please limit use of extra lights/appliances on your site.

10. Generator use is not permitted during quiet hours.
11. Displaying sale signs, attempting to sell goods or services, advertising of such services, or distributing written material, without a Forest Service permit is prohibited.
