## ABOUT WRANGLERS CAMPGROUND

Wranglers Campground is a specialized camping facility which provides year-round opportunities for horseback riding and wagon driving enthusiasts. Services include an activity court, showers, camping shelters, guided trail rides, and farrier and blacksmith services. Wranglers Outpost offers limited food, camping, and equestrian supplies.

## CAMPSITE GUIDELINES

During your stay with us, please help provide a quality experience for all our visitors.

1. Campsites are available on a first-come, first-served basis or by reservation. For reservations, please refer to the “Reservations” section. For first-come, first-served sites, at least one person 18 years old or older and a proper camping unit must occupy the site the first night. After the first night, the camping unit may not be left unattended overnight without permission.
2. First-come, first-served campsites will be assigned upon registering at the gatehouse. When a campsite is rented, it cannot be re-rented or reserved until the last day the site has been paid for. You are encouraged to rent or reserve the site for your entire intended stay. The site may or may not be available for you to extend your stay. If you would like to change sites you must return to the gatehouse to allow staff to check availability, as it may be rented or reserved. If requested, we will gladly change your site to another, if available. If gatehouse staff is unavailable, refer to the After Hours Notice posted on gatehouse information board.
3. Do not change sites without first checking with gatehouse staff. If you do so, you run the risk of having to move to another site or having your equipment towed at your expense.
4. To properly occupy a site, all camping units must be fully set up on the gravel pad. Tents must display a valid tent tag that is visible from the campground road. Site must be occupied during the first 24 hours.
5. All camping units must be on prepared gravel sites. (*See Campsite Capacity for regulations.*)
6. Camping is limited to 21 consecutive days on any site, with the exception of our Seasonal Camping Program. After 21 days, campers must be moved from the site for a minimum of 7 days prior to returning to previously occupied site.
7. Check-out time is 3:30 p.m. and is strictly enforced as an arriving reservation could be impacted. Arrangements may be made through gatehouse staff to utilize the Day-Use Area for those wanting to ride later in the day; you must communicate your intentions prior to your scheduled departure date and time. Late fees may be assessed or your equipment towed at your expense.
8. Visitation for registered campers is between 7 a.m. and 11 p.m. During this time, a \$4 visitor fee per vehicle is charged. (After 11 p.m., a full camping fee is charged.)
9. Quiet hours are observed between 11 p.m. and 7 a.m. Please return to your campsite during quiet hours as a courtesy to others. Loud music, parties, etc., will not be tolerated. Horses shall not be ridden in the campground after 10 p.m.
10. Generator use is not permitted during quiet hours, except in the 24-hour generator field.
11. Day users are required to use the Day-Use parking lot.
12. **All refunds shall be on a case-by-case basis.**
13. Electric fences are not permitted. Metal panels may be used within the tethering areas. In primitive overflow areas, panels shall be used within impacted area. Please help us avoid unnecessary wear and tear in grassy areas.

14. Tether your horses so they cannot chew bark off trees. Damage to trees is punishable. Maximum fine \$1,000.
15. Horses are not permitted on graveled living space of campsites.
16. When cleaning your campsite, use manure pits located at the barns or pile manure at edge of campground roads or at end of barns, on opposite side from water hydrants so maintenance staff can remove it easily. To protect public water supply from harmful contamination, **DO NOT TIE HORSES OR PILE MANURE NEAR WATER HYDRANTS.** Disconnect hoses from hydrant after use.
17. Stall cleaning is the responsibility of stall renters. Daily cleaning helps reduce flies and makes cleaning easier.
18. Displaying sale signs, attempting to sell goods or services, advertising such services, or distributing written material without a Forest Service permit is prohibited.
19. Campers are responsible for any damage they cause to government property during their stay.

## CAMPSITE CAPACITY

Each campsite is limited to a maximum of eight people per site and three camping units, only two of which may be wheeled. A camping fee is charged for each camping unit. A second camping unit may be added to a site; all fees shall apply. A maximum of four wheeled units are allowed on any one site, vehicles and campers. Additional vehicles and visitors will be charged and required to park in Day-Use Area. Camping units are defined as follows: wheeled camping units (horse trailer with living quarters, travel trailer, motor home, truck camper, truck with topper, van, pop-up trailer, or fifth wheel) or tent (staff approved sleeping tent). Tarps, stock trailers, awnings, dining canopies, screen tents, or vehicles other than those listed, may not solely occupy a campsite.

A child's tent is counted as one camping unit and will be allowed free of charge with each paid camping unit as long as only children 17 years of age and under occupy it.

### EXAMPLES PERMITTED:

- A. Motor home, horse trailer with living space, and tent
- B. Pop-up trailer and two tents

### EXAMPLES NOT PERMITTED:

- A. Motor home, pop-up trailer, and van
- B. Horse trailer, pop-up trailer, and fifth-wheel
